OUR FIRST FLAG DAY CELEBRATION

JUNE 14, 2013

What a crowd, what a success! We would like to thank everyone from the community that attended our 1st Annual Flag Day Celebration. We are very proud of this new tradition. The weather was good, the entertainment was great and the turnout was even better!

The cemetery was adorned with many flags along the roadways and an impressive display of large flags provided by the Dor-Wood Optimist Club created a beautiful backdrop as "Old Glory" swayed in the breeze. A "Kids Activity Table" was set up to keep the children busy with arts and crafts, coloring pages, puzzles and beading projects while they enjoyed the entertainment.

The evening began with a greeting from our President, Kay Wick, and an invitation to enjoy the free hot dogs, chips, drinks and cookies.

Local resident, Alice Hotopp, beautifully sang our National Anthem followed immediately by the Wright Patterson Air Force Base Honor Guard. The patriotic mood was set!

Following the Honor Guard, we were privileged to be entertained by Wright Brass. Wright Brass is a component of the United States Air Force Band of Flight stationed at Wright-Patterson Air Force Base, Ohio. A brassy blend of sound and style that makes Wright Brass an entertaining ensemble for audiences of all ages. Patriotic music filled the air!!

Between the performances of Wright Brass, an inspiring local volunteer group of seniors, Vital Signs, from Fairmont Presbyterian Church, led by Sarah Bugden, entertained us by combining American Sign Language and moving to music as an expression of spiritual exercise as part of a signature wellness program for the retirement community that Sarah developed.

With the overwhelming success and the tremendous amount of positive feedback we received, we are looking forward to next year's celebration-*a new tradition has begun!*

It's a fact...

A U.S. flag, the Declaration of Independence and an autographed picture of President Woodrow Wilson are just a few of the many items placed inside of the Arlington National Cemetery's cornerstone, which was placed in the cemetery in 1915.

Bird's Eye View

*Last fall we were fortunate enough to take advantage of an aerial photo shoot in our area. The views of our cemetery are amazing.
We will share them with you as often as we can.*

Floral/Adornment Policy

David's Cemetery recognizes the importance of memorializing your loved ones through floral tributes. As such, your cemetery has established the following set of guidelines and recommendations in an effort to maintain the picturesque appearance of your cemetery.

The areas **north** of the office have shrubs and perennials by some graves that were planted many years ago. If, and when, shrubs and perennials die or become unsightly they will be removed. Replacements or future plantings are not permitted.

The areas **south** of the office are to be maintained as follows:

Flat Marker Areas- *Nothing* may be planted in or around the grave space or the marker. You may place a potted flower on the marker.

Monument Areas- Annuals may be planted in the ground 6" to 8" in front of the monument (nothing on the sides) and the area must be mulched and kept weed free by the person/s responsible for the plantings. Potted flowers are also permitted 6" to 8" in front of the monument (nothing on the sides).

Mausoleums- *Nothing* may be attached to any crypt or niche at any time. Flowers/Arrangements/Adornments may be placed on the tables provided in the mausoleums. These flowers/arrangements/adornments must be maintained by the families, but will be disposed of when they become unsightly.

Columbarium- Flowers/Arrangements/Adornments of any kind are NOT permitted (per the signed agreement upon purchase). David's Cemetery maintains planters/landscaping in and around the columbarium.

Please refrain from using artificial flowers in the ground or in pots during the growing season.

The following items are NOT permitted at anytime, anywhere in your cemetery:

Plastic Flowers
Shepherd Hooks/Decorative Flags or Banners
Balloons
Glass Items
Anything Worn, Torn or Broken

It has been our disheartening experience that some members of the public do not respect the sanctity of your cemetery. We strongly urge that NOTHING of sentimental value be brought to the cemetery and we suggest placing names on all pots and saddles placed at the grave sites.

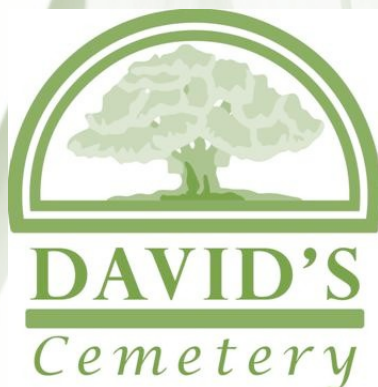

"Housecleaning/Clean-up" occurs twice a year; each spring (the last day in February through March 15th) and the day after Thanksgiving. Christmas decorations (either artificial or natural) are allowed from December 1st to January 31st. In addition, the week after Memorial Day all unsightly and unnatural (plastic, styrofoam, etc...) decorations will be removed.

Contact our office for information on the David's Cemetery Christmas Wreath Program.

*David's Cemetery will not be responsible for any flower, arrangement or adornment.
David's Cemetery reserves the right to remove and dispose of any flower, arrangement or adornment which interferes
with the appearance or operation of David's Cemetery.*

Superintendent's Message

I am proud to announce that your cemetery is planning a new outside niche bank for cremains with a large U.S. Flag/Pole south of David's Columbarium. Construction is scheduled to begin this fall or winter, once again, moving your cemetery forward into the future. The location is noted below:

I want to thank everyone who attended our first Flag Day Celebration that was held in June and I hope that everyone who attended enjoyed the food and the entertainment.
