

Cremation Division

BIOGRAPHY

RON SALVATORE

Ron has been with Matthews Cremation Division for 28 years. He has held many different positions, and was most recently their North American Division Manager of Sales & Marketing. He has worked closely with their engineering department on new product development, environmental permitting and other environmental related matters.

Ron is certified to conduct crematory operator training and has trained thousands of crematory personnel in the proper operation and maintenance of cremation equipment. He has published numerous cremation related articles and for over 12 years wrote a monthly column for the *Funeral & Cemetery News* entitled *Cremation Issues and Answers*.
