Woodland Cemetery and Woodland Arboretum Foundation Announce Changes to Boards of Trustees

Woodland Cemetery and Woodland Arboretum Foundation each announce the appointment of Lee Carpenter as a new board member.

The staff and boards of Woodland Cemetery and Woodland Arboretum Foundation are happy to welcome Lee Carpenter, Chief Executive Officer of the Dayton-based retail design consultancy group ChangeUp. An active member of the community, Lee has proudly served on a number of boards including Dayton Art Institute, Dayton Ballet, Warped Wing Brewery, and Moraine Country Club. "Woodland Cemetery and Arboretum is a remarkable Dayton landmark that has brought the community together for over a century. I'm looking forward to serving on the boards and continuing their successful legacy," said Mr. Carpenter. Mr. Carpenter will join Tony Huffman, Vail Miller, Jr., Sean O'Regan and Robert Berner as Cemetery Trustees.

Tony Huffman has been named Chairman of the Cemetery and Arboretum Foundation boards, replacing Robert Laing, Jr., who served as Chairman of both boards since 1998 and as a trustee since 1990. Mr. Laing will continue on as the Cemetery's Treasurer and an Arboretum Foundation Trustee. "I enjoy serving on Woodland's boards. It has been an honor to participate with the growth and improvements of both the Cemetery and the Arboretum. The cemetery continues to make a lasting impact to the benefit of our community with the development of new burial and cremation options for the families we serve, as well as beautiful gardens and green space for all to enjoy. I look forward to passing the leadership baton to Tony Huffman and assisting the organizations going forward," stated Mr. Laing.

Newly appointed Chair Tony Huffman stated, "As a Cemetery Trustee for over 29 years, Mr. Laing more than deserves the chance to stand down as a Cemetery Trustee. We cannot thank Bob enough for everything he has accomplished during his tenure to propel this amazing historic cemetery into the 21st century. We are pleased to have Lee join our organization. Lee is a tremendous asset who expands the knowledge, talent and commitment." Mr. Carpenter joins the boards that oversee Woodland Cemetery's and Woodland Arboretum's finances, policies and procedures, strategic planning and community outreach.

"It is a pleasure to welcome Mr. Carpenter, who values Dayton's place in history and interested in seeing growth in this historic Dayton landmark to our dedicated board of trustees," stated Sean O'Regan, President and CEO.

Woodland Cemetery sits in the heart of downtown Dayton on over 200 verdant acres of rolling hills with over 3,000 trees on the property. This historic cemetery, founded in 1841, welcomes thousands of visitors who tour the grounds each year to visit the grave sites of inventors of powered flight, Wilbur and Orville Wright; poet Paul Laurence Dunbar; Gov. James M. Cox, founder of Cox Media and three-term governor of Ohio; writer Erma Bombeck; inventor Charles F. Kettering; and entrepreneurs John H. Patterson (NCR); George P. Huffman (Huffy Bicycles); and George Mead (Mead Paper Co.). Woodland Arboretum Foundation is a section 501(c)(3) charitable foundation currently involved in a capital campaign to raise funds for the restoration of the Cemetery's Romanesque Chapel, Administration and Gateway, which are on the National Register of Historic Places.

You can donate, any time of year, to our Horticulture Fund, Arboretum Fund or Chapel Restoration Fund.

The **Horticulture Fund** assists in the creation of scenic, reflective and beautiful gardens and grounds to honor those that have gone before us. This includes the distinctive floral displays in the chapel area in our Mausoleum. A unique theme and design is chosen during the Easter, Memorial Day and Christmas holidays.

Our **Arboretum Foundation** continues to focus on the restoration, preservation, horticultural and educational projects needed to keep Woodland a cultural resource for Dayton and Ohio.

The **Chapel Restoration Fund** is designated for the restoration and preservation of the historic chapel, gates and administration office built in 1887. The Chapel houses 17 Tiffany windows, a hand-cut Tiffany tiled floor and hand painted Tiffany frescoes. All three structures are listed on the National Register of Historic Places.

Your gift makes an immediate impact on the horticulture, arboriculture, and restoration efforts urgently needed to maintain one of Dayton's most historic and beautiful outdoor museums.
