THE OHIO CEMETERY ASSOCIATION ENDORSES

**1-888-OHIOCOMP AS THE MCO OF CHOICE FOR OUR MEMBERSHIP**

Every two years the Ohio Bureau of Workers' Compensation allows employers to select a different Managed Care Organization to assist with controlling workers' compensation costs. There are no fees for this service, as BWC pays the fees to the MCO to provide medical case management of your claims. This selection however, a very important decision, as the wrong selection may be the difference between group rating discounts or penalty rating for employers. This is why the Ohio Cemetery Association has endorsed a local MCO, **1-888-OHIOCOMP**. They offer our members:

- Personalized, friendly and knowledgeable staff
- Custom performance reports to fit the needs of the client
- Preferred Provider discounts for savings off medical expenses
- Expert Nurse Case Managers to assist with return to work
- Educational programs to assist employers with claims management
- Assistance with fraudulent claims reporting
- Prompt and accurate medical bill payment and management
- Referrals for specialists care and second opinion
- Accurate advise on cost containment strategies
- Monitoring medical expenses
- Endorsed by over 26 chambers of commerce and trade associations
